Re: Account number\_\_\_\_\_

I/We ..... understand that in order for the Bank to open an account for me/us, I/we need to provide sufficient identification to fulfil legal requirements (e.g., 100-point ID check). However, I/we have not brought sufficient identification documents today, but still request the Bank to open an account for me/us. I/we undertake to produce sufficient identification to the Bank as soon as possible and I/we understand that if I/we do not provide sufficient identification, I/we will not be able to withdraw any money from or operate the account.
