I/we acknowledge and agree with the Bank that:

- The Bank may impose fees and charges for this service, which will either be deducted from the remittance or I/we will reimburse the Bank from my/our account;
- In order for the Bank to make the Payment, the Bank may be required to use the services of overseas banks, including the Payee's Bank. The Payee's Bank is responsible for the Payment to the Payee;
- Overseas banks involved in making the Payment may impose fees and charges for their services. These fees and charges will either be deducted from the Payment (in which case the Payee will receive a lesser amount than the Payment), or I/we will reimburse the Bank for any costs incurred as a result of an overseas bank's fees and charges. Fees and charges imposed by an overseas bank are in addition to any payable to the Bank in connection with the Payment;
- All enquiries to overseas banks concerning the Payment will be at my/our cost;
- The Bank may transfer certain personal information to overseas banks for the purpose of making the Payment;
- The Bank is not responsible for circumstances beyond its control in connection with the Payment, including but not limited to communication failures, automatic conversion by an overseas bank of the Payment into the corresponding overseas local currency, and any failure or delay by an overseas bank in processing the Payment or releasing it to the Payee;
- The Bank is released from all liability for any loss or damage I/we suffer arising from the Bank acting on this application, except such as may be incurred directly by reason of fraudulent conduct on the part of any of the Bank's employees; and
- In the event of inconsistency between English and Chinese phrases, the English version of this document shall prevail.
